

Green is for the inspiration you gave to me each day.

Blue is for your patience in showing me the way.

Orange is for your warmth and your caring style.

Yellow is for the way you could always make me smile.

Red is for my life that you touched this year.

You're a very special teacher just like this jar, that's
clear!

You place knowledge in your children's hands
and melt into their hearts and lives forever.

You're a "Magnificent" & "Marvelous" teacher.

Thank you for being my M&M.
